

AIML & DATA SCIENCE

FREE WORKSHOP

FOR

NETAJI SUBHASH ENGINEERING COLLEGE

IoT, Robotics
& AI Study

IT
Competency

Scientific
Knowledge

Qnodiam, Education that enlightens!

- ❖ Dependable Competency Partners
- ❖ Expert Industry Veterans
- ❖ Lucid & Practical

AI Is NOT ROCKET SCIENCE

Our mentors will help you:

1. Comprehensive teaching

- ❖ Python computing skills & all relevant libraries
 - TensorFlow, Keras, Pytorch etc.
- ❖ Data Science, Analytics & Data Visualization
 - NumPy, Pandas, Matplotlib etc.
- ❖ Generative AI - ChatGPT
- ❖ Machine Learning & MLOps
- ❖ Deep Learning & Neural Networks
- ❖ Computer Vision, LLM, GAN, NLP etc.
- ❖ IoT & Robotics

2. Hands-on labs & industry exposure

3. Free internship & live project experience

4. Free career guidance

AI won't replace humans. But those with AI will replace those without AI.

JOB OPPORTUNITIES IN AI & DATA SCIENCE

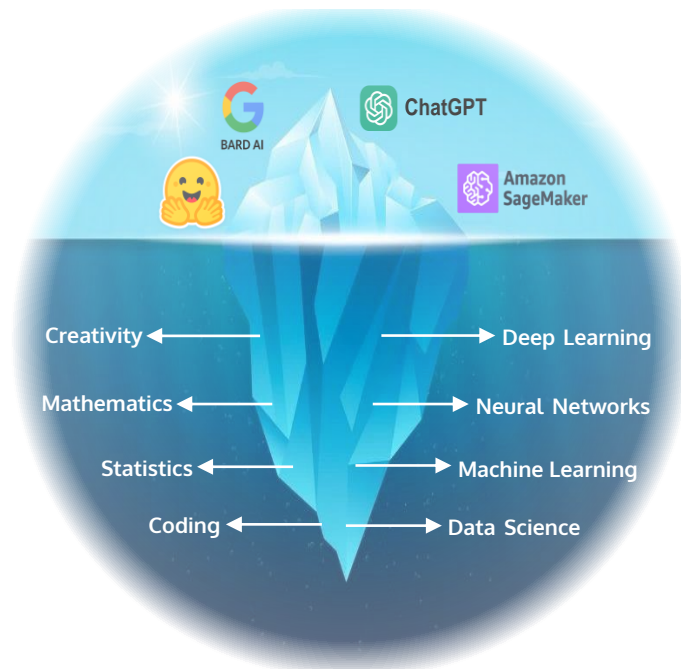

Professionals in Demand

- ❖ Data Scientists
- ❖ Machine Learning Engineers
- ❖ NLP, CV, LLM, GAN Specialists
- ❖ IoT Specialists & Robotics Engineers

Salary Band

- ❖ Highest paid professionals in India & abroad
- ❖ Fastest growing careers, globally
- ❖ Highest vacancy rates in job sites

EXPLORE THE TREND WITH QNODIAM

Learn to Leverage Generative AI

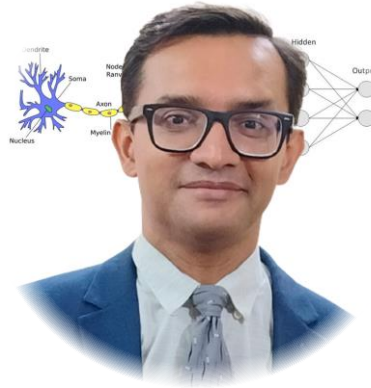

- ❖ Different models and pipelines
- ❖ Prompt Engineering
- ❖ RAG Technique
- ❖ Langchain, Gradio for AI based apps
- ❖ Deploy your own chatbot
- ❖ Exciting NLP projects

AI SUPPORTS ALL PROFESSIONS

- ❖ Economists, Social Scientists, Geologists and all
- ❖ Multimedia Composers, Musicians, Movie Makers
- ❖ Doctors & other Medical Professionals
- ❖ Scientists, Mathematicians & Researchers
- ❖ Corporate Strategists, Bankers & Lawyers
- ❖ Civil, Mechanical, Chemical & all Engineers

AI & PYTHON FACULTY

Anirban Chakrabarty, C.E.O.

B.E.(Electronics), M.B.A. (Finance)

anirban@anodiam.com

+91 9073 700094 / +61 470 142 229

❖ Empathetic, Dynamic, & Supportive

- 24 years of blue-chip experience
- Corporate trainer & excellent communications
- *Dynamo of energy, dependable & trusted for the job!*

– Vish Coosa, Morgan Stanley, U.S.A.

❖ Thorough Knowledge, Can Make Difficult Concepts in AI Seem Lucid

- Worked on multiple Corporate AI projects globally
- Elementary thinker, visualizes subject matter through clutter & noise
- Improved accuracy of AI models singlehandedly up to 99.8%
- *Super brain, the best guy to take care of all our AI implementation!*

– Government Client

ROBOTICS & IoT FACULTY

Bappaditya Debsingha, IoT Prod Manager

B.E.(J.U., Mechanical), M.B.A.(XLRI)

<https://www.youtube.com/c/wisethingz>

https://www.instagram.com/bappa_wt

www.wisethingz.com

❖ Inspiring Mentor, Innovative & Entrepreneurial

- 18 years of global experience
- Trained hundreds of children & industry professionals
- IoT & Robotics workshops at institutions & corporates

❖ Industry Leading S.M.E. in the fields of

- Autonomous machines, automation, sensors & IoT driven BI
- Analytics dashboards, Cloud API gateways, integration to mobile apps

CERTIFICATE OF APPRECIATION

Presented To

Mr. Bappaditya Debsingha

In recognition and appreciation for conducting session on "IoT Protocols a Practical Approach" on Friday, May 28, 2021, as a part of IEEE Computer Society Chapter Webinar series 2021.

Dr. Rajesh Ingole
Chair, IEEE Computer Society Pune Chapter
2021

IEEE Computer Society Chapter, Pune Section,
Website: www.ieee.org/india

NIT Promotes Digital Education
#GharPePadhaiCoronaSayLadai

WEBINAR ON
IoT & ITS INDUSTRIAL APPLICATION
Organized by
Department of EE
Narula Institute of Technology
For 2nd, 3rd & 4th year students
Date: 16th of June, 2020
Time: 06:30 pm to 07:30 pm
For registration click the link below:
<https://forms.gly/4WwzdxLx7a6ub3x5>

MR. BAPPADITYA DEBSINGHA
IoT Product manager and entrepreneur (BlueTango), Mechanical Engineer from Jadavpur University, Kolkata (2004), and MBA from IISM

Coordinators
Dr. Nabamita Banerjee Roy
Mr. Sumanta Kundu

NARULA INSTITUTE OF TECHNOLOGY
Website: nit.edu.in

CERTIFICATE OF APPRECIATION

Presented To

Mr. Bappaditya Debsingha

In recognition and appreciation for conducting session on "Role of IoT in digital transformation: Connect academics with business.com" on Saturday, July 11, 2020, as a part of IEEE Computer Society Chapter Webinar series 2020.

Dr. Rajesh Ingole
Chair, IEEE Computer Society Pune Chapter
2020-2021

IEEE Computer Society Chapter, Pune Section,
ECT Campus, Opp. 18th Infantry, Near Pimpri Chinchwad, Pune-411004 (2004)
Website: www.ieee.org/india

Invites you to join
Short Term Training Program (online)
13th - 15th August 2020

Hands-on IoT Workshop with Arduino and NodeMCU
Expert Speaker
Mr. Bappaditya Debsingha
IoT Product Manager
Organized by
Rajesh Ingole
TEQIP-III

at
Department of Computer Science & Engineering, IIS

For Online Registration please visit www.indianinstitute.com
* Free Registration * Limited seats available * E-certificate for participation

ECT Campus, Opp. 18th Infantry, Near Pimpri Chinchwad, Pune, India-411004
